

INSTRUCTIONS

Thank you for your order.
Have a wonderful Christmas Season!

make the Christmas Season a bit more meaningful

How it Works

Participants: it can be the entire family or just the children.

Set: each participants needs a mailbox and all 24 cards. There are 3 extra cards in case of typos.

Cards: at the end of the day each member of the family writes a quick note on the card. It could be the best thing that happened that day. Maybe it's a wish, or a poem. Whatever comes to mind. Once the card is written, put it in your own mailbox.

Emptying the Mailbox: Everybody empties their mailbox. It could happen at the dinner table on Christmas Eve or during breakfast on Christmas morning. As a family, or couple share what you wrote on your cards. And have a merry Christmas!

Material & Tools

Paper: a very light **matte card stock around 60 lb / 160 gsm** is recommended.

Printer: if not available use your local **printer** or **Staples**.

Cutting: use a **x-acto knife** and **metal ruler** if available, or scissors.

Scoring: a **scorer is helpful** for accurate score lines.
Otherwise use the edge of a table or a metall ruler.

Assembling: **glue stick** and **tape**.
